HANDICAP CALCULATION	
Add up each players HCP for Total HCP, then Round Total HCP down (under .4) or up (.5+)	
Subtract the lower HCP from the higher HCP	
Use the chart below to find the total HCP Points per round the team with lower HCP will receive	
Difference	Handicap Points
0 - 1	0
2 - 3	1
4	2
5	3
6	4
7 - 8	5
9 - 10	6
11	7
12	8
13 +	9

CALCULATING ROUND TOTALS
Win = 2 Points / Loss = 0 Points
Add together each player's points in the round for Round Points
Add Round Points and Handicap Points for Total Points
Mark Win (W), Loss (L), or Tie (T) for each round

CALCULATING THE MATCH TOTALS
Award 2 Points for each round won (1 for Tie)
Award 3 points to team with the most overall points (1.5 each for Tie)
Add Rounds Won and Overall points for Total Points
Bonus: Circle Y or N based on the results in the 4th round.
The 4th round winner will be awarded 1 bonus point to their overall Win total.

NOTES
Any 3.0 HCP playing a 6.0+ can bypass the 8-ball and shoot the 9-ball
The 3 Foul Rule does not apply when a 3.0- HCP is playing a 6.0+ HCP
